

To: Parents of Perry Central Middle and High School students

Date: March 29, 2021

It has been a difficult year dealing with the COVID-19 pandemic, but things have improved greatly in the past 6 weeks. Our numbers have been down and the CDC changed the safe distance in schools from 6 feet to 3 feet, if mask are worn. Because of this all students will return to school each day for instruction. **We will no longer be using the A/B schedule. THIS WILL BEGIN TUESDAY APRIL 6TH.**

Mask will be worn at all times with the exception of when students are eating. Other protocols will be followed; consistently wash hands, temperature checks, and not coming to school sick.

If you have any questions please contact your principal.

Scott Dearman

Superintendent, Perry County Schools
